Public Works Board

Recommended for 2016 Construction Loan Funding:

Cross Valley Water District

Echo Lake Area Water System Improvements

County: Snohomish
Legislative District: 1st / 39th
PWB Loan Request: \$3,235,000
Other Funds: \$0
Total Project Cost: \$3,235,000
Serves:
 ▪ **Schools:** 5 (Indirect Benefit to 3,100 Students)

Cross Valley's Echo Lake Area Water System Improvements project includes construction of water supply, storage and pressure improvements to alleviate source, low pressure and storage issues. The project will improve water system reliability and eliminate interruptions in water service and fire protection in the remote southeastern portion of the District.
