

Washington State

Public Works Board

Recommended for 2016 Construction Loan Funding:

City of Kennewick

Southridge Area Infrastructure Development

- County:** Benton
- Legislative District:** 8th
- PWB Loan Request:** \$7,000,000
- Other Funds:** \$674,600
- Total Project Cost:** \$7,674,600
- Serves:**
 - **Schools:** 4 (3,200 Students)
 - **Community Facilities:** 4

The project is an economic development driver and will construct new transportation corridors in the Southridge Area of Kennewick, where 60% of our future growth is anticipated. The project supports the new Trios Hospital (1,100 jobs). The Southridge Master Plan study projects an additional 4,100 jobs in the area not related to the hospital. This project is part of a larger Public Works Trust Fund project submitted in 2012.
