

Direct Appropriation Projects

Public Works Board staff administered 33 projects directed by the 2012 Legislature.

*The **Port of Columbia** received state funds to build Blue Mountain Station, which offers the most unique marketing opportunity available today in the artisan food processing industry.*

*With \$2.5M from the state, the **City of Renton** is developing the Renton Aerospace Training Center at its airport where Renton Technical College will train much-needed aerospace workers.*

*The **City of Port Orchard** was the recipient of a Main Street grant for their Bay Street Pedestrian Path project.*
