On-Line Loan Management Program (PWeB)

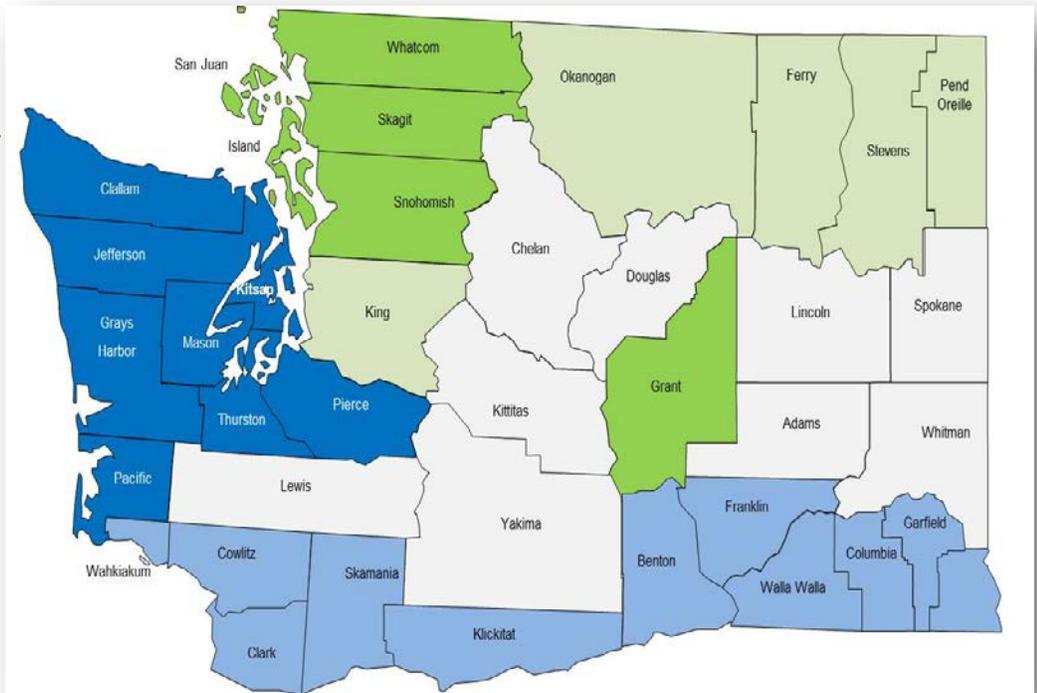

Public Works Board

Need assistance understanding or resolving challenges related to your high priority infrastructure projects? Contact your [Regional Service Coordinators](#) (RSC's). RSC's are your advocates to the Board and conduit to relevant infrastructure resources.

Coordinated Services

[Regional Service Coordinators](#) offer a variety of [Coordinated Services](#):

- Develop funding strategies for your project.
- Facilitate [Tech Team](#) meetings for communities that include staff from funding and regulatory agencies, technical assistance providers, and other interested parties. This can be done at the Infrastructure Assistance Coordinating Council ([IACC](#)) Conference or anytime throughout the year.
- Connect communities with [EZview](#), a tool that provides dedicated websites for local governments to plan, share, document and collaborate on projects.

Training

- The Board offers Regional [Academies](#) and [Training](#) on infrastructure related topics throughout the year.

Request Assistance

- Request assistance on a variety of topics using an [online form](#).
