Moses Lake, Big Bend Community College, May 21, 2015 10:00am – 3:00pm
Mt. Vernon, Skagit Transit Center, June 3, 2015 10:00am – 3:00pm

Utility Rate Setting Workshop

Understanding the complexities of rate setting: Planning for capital improvements, operations & maintenance, reserve funds, inflation, obtaining public support & more...

Hosted by Public Works Board with support from: AWC, IACC, MRSC, PUD's, WASWD, WPPA, WSAC

Join the **Public Works Board** & the **FCS Group** for a FREE half day workshop.

The FCS Group has completed over 1000 rate analyses for cities, towns and water/sewer districts throughout Washington State. Take advantage of their expertise, knowledge, and comprehensive approach to managing your utility system. Bring your questions and system specific scenarios to the workshop and interact with your regional communities.

Who should attend? Elected officials, public works staff, clerk treasurers, financial directors, operators...

“You won’t want to miss this workshop!”
